### Full job description

#### Your new company

An established plumbing business that's based in Ballarat strive themselves on high quality installation work and their maintenance reputation of every project. With multiple projects running, they are in need of more members to join their ever growing team.

#### Your new role

Whether its industrial or residential, some responsibilities would include but not limited to pipework, gas, fresh water installation, back-flow prevention, planned and preventative maintenance, attending to breakdowns, general reporting, troubleshooting and other related installation and maintenance duties.

#### What you'll need to succeed

- Cert III in Plumbing.
- Previous experience as a General Plumber.
- Excellent communication and organisational skills.
- Full drivers licence.
- Experience in residential and commercial works.

#### What you'll get in return

- Strong variety of work.
- Positive work culture.
- Above award rates.
- Potential career progression opportunities.

#### What you need to do now
