Full job description

Build lasting relationships with our customers to provide a simpler, better, smarter banking experience.

Your new company

You have the will to win, a true passion for customers and a thirst for being bold. You do the right thing, think big and act with integrity. You are driven to go above and beyond; not just for customers, but your colleagues too.

On any given day you will handle interactions from our customers about their home loans, transaction accounts and savings products. You will take pride in delivering a world class customer experience to build advocacy with our customers and deliver a simpler, better, smarter banking experience.

You must be comfortable managing high volume interactions in a multi-channel environment including phone and digital channels.

Your new role

- Add value at every opportunity by empowering customers to understand and have control over their banking via the mobile banking app.
- Liaise with different teams to get the best outcome for customers.
- Manage a volume of 30-40 interactions through inbound calls and digital channels daily.
