the Senior Leadership Team and client. You will engage our employees working in the plant and be willing to work a flexible roster including early starts as required.

With guidance from your Operations Manager and the support team, you will be working with the Recruitment team to meet the site needs.

About You

Attentive and engaging with confident leadership capabilities, you will be seeking to belong to a company that encourages their employees to think and act with integrity and commitment.

Capable of looking to the big picture, our clients will appreciate your ability to take action, assist with training and maintain a reliable workforce.

Being able to ask tough questions is something you are skilled with, also able to negotiate and influence others in their decisions and able to deliver under pressure.

You will need to work with confidence, communicating clearly and concisely, be proactive and driven to achieve and improve

Experience:

- Recruitment or HR Administration experience desirable (not essential)
- Intermediate MS Office skills and computer literacy
- Tertiary qualifications in Human Resources Management or a related discipline will be highly regarded (but not essential).

Benefits

We offer an enjoyable work environment, where you will work with experts in the industry, who are passionate about what they do.

You will receive:

- Competitive salary package
- Social corporate events
- Additional leave day for your birthday
- Health fund discounts
- Fortnightly pay
- Rewards and recognition
- Training and development
