- Part Time Role available - 0.6 FTE

#### The Company:

Correct Care Australasia is Australia's largest outsourced correctional healthcare provider; operating across all of Victoria's fourteen publicly managed prisons, one private prison, and two youth justice centres. Our vision, to provide 'Healthcare Without Judgement', is the foundation for the outstanding service we provide across a range of health needs for a unique and hard to reach patient group. Providing a Nurse led model of care across a multidisciplinary team supporting young people.

#### The role

Our facility at the **Malmesbury Youth Justice Centre** is looking for a **Part Time Endorsed Enrolled Nurse (0.6 FTE)** to join the primary care team. Situated half-way between Melbourne and Bendigo, Malmesbury offers a rural feel, but with access to urban amenities within an hour's drive. Working with this patient group is rewarding as the healthcare you provide can have a positive impact for a lifetime. Providing a Nurse led model of care across a multidisciplinary team supporting young people.

As part of our onboarding incentive program, all new Correct Care Australasia **nursing** employees who accept a **Permanent 0.5 FTE (or higher)** position at **Malmesbury Youth Justice Centre** by **31 December 2022**, will receive a **\$400 sign-on bonus** upon commencement with a **\$400 retention bonus upon completion of 6 months continuous service**. For any further information on the program or eligibility queries, please contact [recruitment@correctcare.com.au](mailto:recruitment@correctcare.com.au)

## Essential Requirements

- Division 2 Registered Nurse qualification
- Registration with the Australian Health Practitioner Regulation Agency
- Recent nursing experience in an acute and/or primary healthcare setting
- Effective communication, interpersonal and organisational skills.
- Intermediate to advanced PC skills

## Why Correct Care?

Our recent staff survey highlighted some of the reasons we come to work every day:

- To be non-judgemental, delivering equal care to all
- Working with a great team
- Having adequate resources to do my job well
- Delivering a nurse led model of care which is patient centred
- Autonomy and ability to influence positive health outcomes for patients
- To be able to provide care to a vulnerable population
- Working in a custodial environment
